

SAINT RONAN'S SCHOOL

To whom it may concern

17th January 2017

Dr Graham Griffiths

On the strong recommendation of David Force (our Director of Music and formerly Head of Academic Music at Eastbourne), Dr Griffiths was invited to give a short lecture to the Prep School (c. x300 Y3-8 boys and girls) on Friday 13th January 2017. His title was 'The Astonishing Mr Mozart'.

Despite rather a 'graveyard' slot (4.40pm) at the end of a busy week and, potentially, a dry topic for this age range, Graham totally captured the children's interests. He illustrated his talk with excellent slides, pitched the level perfectly, never talking down, and played the piano with breath-taking skill. The applause at the end said it all.

He is a tremendously knowledgeable and most engaging speaker. I strongly recommend him to colleagues.

Yours faithfully,

William Trelawny-Vernon
Headmaster
